Inventor: Steven J. McGee

Commissioner for Patents,

23 June 2006

This letter is a response in good faith by Inventor Steven J. McGee regarding the below inserted non final rejection correspondence from your organization for application number 10/709,358 Method to enable Heartbeat e9-1-1.

APPLICATION NO.	FILING DATE	FIRST NAMED INVENTOR	ATTORNEY DOCKET NO.	CONFIRMATION NO.
10/709,358	04/29/2004	Steven James McGee		3357
37952	7590	03/29/2006		
STEVEN JAMES MCGEE 82 SEA GIRT AVENUE OCEANPORT, NJ 07757			EXAMINER POPE, DARYL C	
			ART UNIT 2612	PAPER NUMBER
DATE MAILED: 03/29/2006				

This response is to express gratitude in that Mr. Daryl Pope took the time and effort to provide the applicant with an application template to follow that helped me greatly. I also acknowledge the recommendation to secure the assistance of a seasoned patent attorney. I have secured the services of

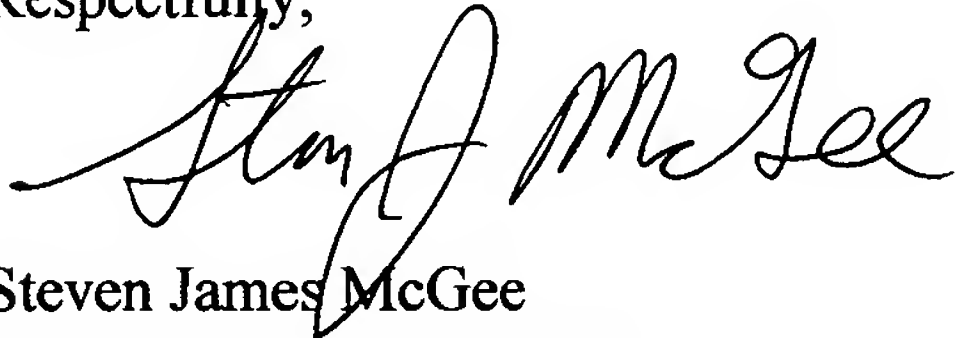

Thomas L. Adams
P.O. Box 340; 120 Eagle Rock Ave
East Hanover, NJ 07936
Voice: 973 463-0100 Fax: 973 463-0150
Web: <http://www.newidea.com/>

Mr. Adams and his firm is reviewing my material to ascertain the level of effort needed to assist me to achieve a successful application given the complexity of this concept and the fact that I applied for this application as two continuations that build on the previous applications.

Please find enclosed my in good faith best effort to follow patent application structure and procedures given my limited exposure to the patent application process. I am confident that Mr. Adams and his firm can guide me to a successful application by processing my transactions from this point forward.

I wish to thank Mr. Pope for his assistance thus far as well as his patience and professionalism.

Respectfully,

Steven James McGee
